Stats Through Games of Oct. 24, 2024 (Unless Otherwise Indicated)

The 2024 NHL Global Series Finland presented by Fastenal will feature two teams with the strongest Finnish representation in the NHL over the past six seasons as the Dallas Stars and reigning Stanley Cup champion Florida Panthers head to Tampere, Finland, for a back-to-back set at Nokia Arena (Nov. 1-2). The two-game event will bring the NHL's total count for regular-season games played outside North America to 46 and come four months after Florida's **Aleksander Barkov** (Tampere, Finland) became the first Finnish player to captain a Stanley Cup-winning team.

Suomi Representation Is Strong for Stars and Panthers

These will be the 10th and 11th regular-season NHL games played in Finland, the second-most of any country outside North America behind Sweden (17). Tampere will host its third and fourth such contests to tie Tokyo (4) for the fourth-most of any city outside North America. Nokia Arena will have hosted all four games in Tampere.

* Every NHL game in Tampere will have featured the reigning Stanley Cup champions as the Panthers get set to join the Colorado Avalanche (2-0-0 in 2022 Global Series) on that list. The only other reigning Stanley Cup winners to play outside North America are the Anaheim Ducks (1-1-0 in London in 2007 Premiere Series).

* Two years ago, the Avalanche defeated the Columbus Blue Jackets in both contests at Nokia Arena as part of the 2022 Global Series. **Mikko Rantanen** (Nousiainen, Finland) tallied 3-1—4 in the first game and assisted on the opening goal the next day – scored by **Artturi Lehkonen** (Piikio, Finland) – to finish the two-game set with five points. Despite Rantanen's performance in his home country, one player left Finland with more points than him during that trip: teammate **Nathan MacKinnon**, now the reigning Hart Memorial Trophy winner, collected 0-7—7 including four assists in the opener. Rantanen's hat trick tied the benchmark for most goals in a game played outside North America, MacKinnon's four assists set a new high and their four-point performances fell one shy of the record held by **Theo Fleury** (3-2—5 on Oct. 10, 1998 w/ CGY).

HATUNNOSTO SUOMALAISILLE FANEILLE

Finland has seen 2 of 3 hat tricks scored in
NHL games played outside North America:
Mikko Rantanen: Nov. 4, 2022 (Tampere)
Patrik Laine: Nov. 1, 2018 (Helsinki)
Theo Fleury: Oct. 10, 1998 (Tokyo)

* A total of seven Finnish nationals could appear in the two-game set as the Panthers' roster includes a League-high four and the Stars have three (tied for second in the NHL; more on each of them below).

* Overall, both franchises rank among the top three in NHL history in terms of Finnish nationals who have skated for the organization: The Stars/North Stars top all teams with 31 (25 skaters and six goaltenders) and the Panthers rank third with 24 (21 skaters and three goaltenders). The Stars/North Stars franchise also tops the list for Finnish skaters (tied w/ EDM) and ranks second in terms of goaltenders, behind the San Jose Sharks who have had seven.

Finland's presence in the NHL has been 5.0 percent or higher in five of the past six seasons, one of five countries that can make that claim.

* Of the 8,597 total players in NHL history, 264 are Finnish nationals (223 skaters and 41 goaltenders). That includes 38 players (31 skaters and seven goaltenders) this season (5.2% of the NHL through games played Oct. 23).

FINNISH PLAYERS APLENTY

The Panthers and Stars have both ranked among the top two in the NHL in terms of Finnish nationals to play a game in each of the past six seasons (includes ties from 2019-20 to 2024-25).

Finnish Focus: Aleksander Barkov

While this would be the second time **Aleksander Barkov** plays NHL games in his home country (following the 2018 Global Series in Helsinki), it would be the first NHL contests he plays in his hometown of Tampere.

* Barkov made a name for himself on the international stage at the 2012 World Junior Championship when, at age 16, he became the second-youngest player to score a goal at the event behind **Sidney Crosby**. Barkov then averaged more than a point per game a year later at the event (3-4—7 in 6 GP), part of a 2012-13 campaign in which he tallied 48 points for his hometown team Tappara – the highest single-season total in Liiga history by a 17-year-old. The Panthers then selected Barkov with the No. 2 pick in the 2013 NHL Draft, behind only **Nathan MacKinnon** (the only player from that draft class who currently has more goals, assists or points than Barkov).

* Barkov (18 years, 31 days) made his NHL debut on Oct. 3, 2013, at American Airlines Center in Dallas and became the youngest player since 1943-44 to score his first career goal (beating Stars netminder **Kari Lehtonen** to achieve the feat). He remains the youngest player to score in the past 80 years and the youngest European to score in NHL history. Barkov ranked fifth in Panthers scoring ahead of his participation in the 2014 Olympic Winter Games – where he secured a bronze medal – but was injured at the event and missed the balance of the 2013-14 campaign (8-16—24 in 54 GP).

*European

* After becoming the youngest player to skate for the Panthers in 2013-14, Barkov now is the longest-serving player in franchise history. Much of the time, Barkov garnered nods as the most underrated player in the League – a moniker he since has replaced with a bevy of achievements. In addition to becoming the League’s first Finnish Cup-winning captain last June, Barkov became the first player in Panthers history to win three NHL Awards (two Frank J. Selke Trophies and one Lady Byng Memorial Trophy) to build upon a list of accomplishments that already included franchise records for goals, assists and points, as well as being the longest-serving captain in team history.

* Barkov is one of 31 players with Tampere listed as his birth city who have played in the NHL (27 skaters and four goaltenders). Barkov (739 GP through Oct. 23) is one of four players from that group with at least 500 regular-season games played, alongside **Teppo Numminen** (1,372 GP), **Jyrki Lumme** (985 GP) and **Risto Siltanen** (562 GP).

* A total of 36 players have recorded a point in a regular-season NHL game played in their home country, including 11 in Finland and four who have scored a goal in their listed hometown.

EUROPEANS TO SCORE IN THEIR HOMETOWN

Only five players born outside North America have scored a regular-season NHL goal in their hometown: Patrik Laine (Tampere), Tomas Hertl (Prague), Niklas Kronwall (Stockholm), Fredrik Claesson (Stockholm) and Johnny Oduya (Stockholm).

Finnish Focus: Miro Heiskanen

The highest-scoring Finnish defenseman since 2018-19 will get a chance to play an NHL game in his home country for the first time as **Miro Heiskanen** (Espoo) leads the Stars into their first regular-season venture overseas.

* Heiskanen hails from the same hometown as Stars legend **Jere Lehtinen**, a Stanley Cup champion and three-time Frank J. Selke Trophy winner who spent his entire career with the franchise and is one of six players whose number has been retired by the organization. Espoo also is home to four-time Olympic goaltender **Noora Raty**. *ICYMI: [The Stars visited Finland with Heiskanen ahead of the 2023-24 season.](#)*

* Heiskanen was introduced to the NHL in 2017 when the Stars made him the No. 3 pick in the NHL Draft, matching the highest a Finnish defenseman has been selected. He was the first of six Finnish-born players chosen in Round 1 that year – an NHL record. Playing as an 18-year-old the following season, Heiskanen was named the best defenseman in Liiga for 2017-18 (the youngest ever to win the award) and represented Finland at the World Junior Championship, Olympic Winter Games and World Championship – just the eighth player in history to skate in all three events during the same season (via the IIHF).

* Heiskanen scored his first NHL goal Oct. 25, 2018, in his ninth career game. At age 19 years, 99 days, he was the youngest defenseman in Stars team history to score a goal and remains the fourth-youngest Finnish defenseman at the time of his first tally, behind **Ville Heinola** (18 years, 220 days on Oct. 8, 2019), **Rasmus Ristolainen** (18 years, 363 days on Oct. 25, 2013) and **Olli Maatta** (19 years, 58 days on Oct. 19, 2013).

* After scoring 12 goals as a rookie in 2018-19 – tops among Dallas defensemen that season (just ahead of fellow Finn **Esa Lindell**) and the most by a rookie defenseman in Stars team history – Heiskanen supplanted himself among the NHL’s elite blueliners during the 2020 Stanley Cup Playoffs. He led all Dallas skaters in points during its run to the 2020 Final (6-20—26 in 20 GP), posting the highest postseason point total by a defenseman since **Brian Leetch** in 1994 (it remains the sixth-highest count by a blueliner in playoff history) and the highest by any Finnish skater since 1988.

* Now in his seventh NHL season, Heiskanen (53-206—259 in 433 GP) has accumulated the second-most points among Finnish defensemen at age 25 or younger – with the entire 2024-25 campaign to catch **Reijo Ruotsalainen** (98-217—315 in 386 GP). He now ranks seventh in franchise history for scoring by defensemen and fifth among Stars blueliners since 1993-94 when the organization began play in Texas (within reach of passing **Derian Hatcher** on the team list during the Stars’ trip to Finland). Heiskanen already is the franchise leader in playoff goals by a defenseman and ranks second in both assists and points among that cohort.

Facts About Finns: A Closer Look at Others Set to Play in Their Home Country

A quick fact about the other Finnish players expected to skate in their home country during the 2024 NHL Global Series Finland presented by Fastenal:

- * **Anton Lundell (Espoo):** One of 12 active Finnish nationals who has recorded at least 100 points at age 23 or younger. His 73 career assists (through Oct. 23) are the most among current Finnish players who have yet to celebrate their 24th birthday.
- * **Eetu Luostarinen (Siilinjärvi):** One of four Finnish-born players on the Panthers’ championship roster last June, which was the most ever by a Stanley Cup winner.
- * **Niko Mikkola (Kiiminki):** Part of Finland’s gold medal-winning entry at the 2016 World Junior Championship, held in Helsinki. The roster was loaded with current NHL stars including **Sebastian Aho, Patrik Laine, Mikko Rantanen** and current Stars forward **Roope Hintz**.

FINNS CLAIM RARE GOLD AT HOME

Niko Mikkola and Roope Hintz won gold together at the 2016 World Junior Championship held in Helsinki. Finland is the only European host country in the past 41 events to win gold (2016 and 1998).

* **Roope Hintz (Nokia)**: One of eight Finnish nationals in NHL history to record at least three consecutive 30-goal seasons (with a chance to make that four straight in 2024-25). The others: **Jari Kurri** (10), **Teemu Selanne** (6), **Mikko Rantanen** (4; active streak), **Petri Skriko** (4), **Sebastian Aho** (3; active streak), **Patrik Laine** (3) and **Olli Jokinen** (3).

* **Esa Lindell (Vantaa)**: Ranks among the top three for goals (2nd), assists (3rd), points (3rd) and time on ice per game (3rd) by Finnish defensemen since his first full NHL season in 2016-17 – teammate **Miro Heiskanen** is the only player ahead of him on all four of those lists. The second game of the Global Series is slated to be the 700th of Lindell's career (including playoffs).

This and That: Other Facts Ahead of the 2024 NHL Global Series Finale in Finland

* Five players on the Stars and Panthers already have been named to rosters for the 4 Nations Face-Off in February: **Aleksander Barkov**, **Miro Heiskanen** and **Esa Lindell** make up half the announced players for Finland, while **Gustav Forsling** (Sweden) and **Matthew Tkachuk** (United States) also have been named.

* **Tyler Seguin** (DAL) is one of 35 players to make his NHL debut in a regular-season game played outside North America, doing so with the Boston Bruins on Oct. 9, 2010, in Prague – a contest that also saw **Oliver Ekman-Larsson** (a Stanley Cup champion in 2024 with Florida) make his League debut. Seguin also became the third player to score his first NHL goal overseas – a list that since has grown to five, including **Seamus Casey** (NJD) earlier this season.

* The Stars have four players with experience in regular-season NHL games contested outside North America: **Evgenii Dadonov** (2-1—3 in 2 GP), **Matt Duchene** (1-1—2 in 4 GP), **Alexander Petrovic** (2 GP) and **Tyler Seguin** (1-0—1 in 2 GP).

* The Panthers have eight players with experience in NHL regular-season games contested outside North America: **Aleksander Barkov** (0-1—1 in 2 GP), **Zac Dalpe** (0-1—1 in 2 GP), **Aaron Ekblad** (2 GP), **Jonah Gadjovich** (2 GP), **Dmitry Kulikov** (3 GP), **Jaycob Megna** (1 GP), **Sam Reinhart** (3-1—4 in 2 GP) and **Evan Rodrigues** (0-2—2 in 3 GP).

* None of the goaltenders on the Stars or Panthers has played in a regular-season NHL game outside North America.

* **Sam Reinhart** (3-1—4 in 2 GP) has scored three goals in regular-season NHL games played outside North America, tied with 10 others for the second-most all-time behind Finnish forward **Patrik Laine** (5-1—6 in 4 GP). Reinhart could become the 15th player with at least five career NHL points recorded outside North America.

* Florida will play its fifth and sixth regular-season NHL games outside North America, which will match the most among all franchises. All six will have been played in Finland, the most by an NHL team in that country and tied with the Ottawa Senators (6 GP in Sweden) for the most in any country outside North America.

* The Panthers also have played two preseason games in Finland, against Tappara Tampere and Jokerit Helsinki in September 2009.

* Dallas will contest regular-season games outside North America for the first time. The franchise previously had two global tours while known as the North Stars, both for preseason action – a venture to Sweden in September 1980, followed 10 years later by a trip to the Soviet Union in September 1990.

* Nineteen different Finnish-born players have won the Stanley Cup, including multi-time winners **Jari Kurri** (5x), **Esa Tikkanen** (5x), **Olli Maatta** (2x) and **Reijo Ruotsalainen** (2x).

* Not only will this be a “home game” for players on both sides, but it also will be a clash of recent titans as the Stars and Panthers both have played in each of the past two Conference Finals and combined for appearances in three of the past five Stanley Cup Final series.
