Mackenzie Janes (Ottawa, Ont.)

Willie O'Ree Community Hero Award presented by Discover (U.S.)

Dr. Sarah Dunkel-Jackson (Howell, Mich.)
Toni Gillen (St. Paul, Minn.)
Andrew Sobotka (Chicago, Ill.)

ART ROSS TROPHY

Description

First awarded in 1947-48, the Art Ross Trophy is presented annually “to the player who leads the League in scoring points at the end of the regular season.”

History

Arthur Howey Ross, former manager-coach of the Boston Bruins, presented the Art Ross Trophy to the NHL in 1948. If two or more players finish the regular season with the same number of points, the trophy is awarded based on the following tiebreakers: 1. Player with the most goals, 2. Player with fewer games played, 3. Player scoring first goal of the season.

[Click here](#) to watch a video on the history of the Art Ross Trophy.

2024-25 Winner

Tampa Bay Lightning right wing **Nikita Kucherov** registered 37-84—121 in 78 appearances to finish ahead of Colorado Avalanche center **Nathan MacKinnon** (32-84—116 in 79 GP) for the second consecutive season and claim his third Art Ross Trophy, adding to victories in 2018-19 and 2023-24. He became the 10th player to win the Art Ross Trophy at least three times, joining **Wayne Gretzky** (10), **Gordie Howe** (6), **Mario Lemieux** (6), **Phil Esposito** (5), **Jaromir Jagr** (5), **Connor McDavid** (5), **Stan Mikita** (4), **Bobby Hull** (3) and **Guy Lafleur** (3). Kucherov, who did not own even a share of the League lead in scoring until March 29 and overcame a deficit as large as 11 points, became the 14th player in NHL history to record at least three career 120-point seasons. He followed up an 83-assist performance in 2022-23 and a 100-assist campaign in 2023-24 by sharing first place with 84 helpers in 2024-25, making him the fourth player in League history with three straight 80-assist seasons. The others: Gretzky (13; 1979-90 – 1991-92), **Bobby Orr** (3; 1969-70 – 1971-72) and **Paul Coffey** (3; 1983-84 – 1985-86). Kucherov found the score sheet in 65 of his 78 total contests (83.3%), producing multiple points 33 times (2nd in the NHL) and three or more points on 17 occasions (1st in the NHL). He also placed among the League leaders in power-play assists (1st; 38), power-play points (1st; 46), even-strength points (3rd; 75), even-strength assists (5th; 46), game-winning goals (t-5th; 9), even-strength goals (t-8th; 29), shots on goal (9th; 265) and goals (t-13th; 37).

BILL MASTERTON MEMORIAL TROPHY

Description

First awarded in 1967-68, the Bill Masterton Memorial Trophy is presented annually “to the player who best exemplifies the qualities of perseverance, sportsmanship and dedication to hockey.”

Voting

Local chapters of the Professional Hockey Writers Association submit nominations for the Bill Masterton Memorial Trophy at the conclusion of the regular season, with the top three vote-getters designated as finalists.

History

The Bill Masterton Memorial Trophy was presented by the NHL Writers’ Association in 1968 to commemorate the late **Bill Masterton**, a player with the Minnesota North Stars who exhibited to a high degree the qualities of perseverance, sportsmanship and dedication to hockey and who died on Jan. 15, 1968, as a result of an on-ice injury.

Bill Masterton Memorial Scholarship Fund

A \$2,500 grant from the PHWA is awarded annually to the Bill Masterton Memorial Scholarship Fund, based in Bloomington, Minn., in the name of the trophy winner.

* * * * *

2024-25 Finalists

Marc-Andre Fleury, G, Minnesota Wild

Fleury posted a 14-9-1 record with a 2.93 goals-against average, .899 save percentage and one shutout in 26 games with the Wild, upping career totals over his 21 NHL seasons to 575-339-97 in 1,051 games with a 2.60 GAA, .912 save percentage and 76 shutouts. He ranks second all-time in wins, games, starts (1,017) and minutes played (60,669:03). “I’ve had lots of ups and downs in my career, and I think that perseverance helped me ... try to bounce back after the tough moments. I love the game. I’ve loved hockey since I’m a kid, I still do. Always feel very fortunate to be where I am today,” [Fleury told Michael Russo in *The Athletic*](#). “The always-jovial Fleury is one proud athlete, yet at age 40, he signed for one final year and accepted his role as [Filip] Gustavsson’s backup to prioritize team success over personal accolades despite being on the cusp of retirement,” Russo wrote. “This is a man who has long been one of the game’s most beloved figures for his competitiveness on the ice, how he treats people off it and his unbridled love and enthusiasm for a sport that won’t be the same without him.”

Gabriel Landeskog, LW, Colorado Avalanche

Years of rehabilitation culminated in a major milestone when Landeskog made his AHL debut on a conditioning assignment with the Colorado Eagles on April 11. The 32-year-old Avalanche captain hadn’t played since June 26, 2022, a 2-1 victory against the Lightning in Game 6 of the Stanley Cup Final. He missed the entirety of the 2022-23 season following knee surgery, then opted for cartilage transplant surgery, which resulted in him missing the 2023-24 season and the 2024-25 regular season. The grueling rehab work and associated mental challenges were chronicled [in the five-part documentary series “A Clean Sheet,”](#) released in March. “There were times where it would feel like it was so far to that next win,” [Landeskog told Corey Masisak in the *Denver Post*](#). “You’ve got to break it down in incremental parts. Like, can I get through this workout? Yes, you did. Check. That’s a win. Throughout some of the tougher periods, some of the setbacks, especially, it’s like, just get through the day. That’s it ... Obviously it’s been challenging mentally at times. So you just lean on your support system for those moments.”

Sean Monahan, C, Columbus Blue Jackets

Monahan, who signed with Columbus on July 1, 2024 to reunite with **Johnny Gaudreau** after the pair played together for nine seasons in Calgary, has served as an inspiration amid the unspeakable tragedy of Gaudreau’s death last August. He finished with the fifth-most points by a Blue Jackets player in his first season with the club (57) – a list Gaudreau sits second on (74 in 2022-23). His 1.06 points per game was the highest by any first-year Columbus player. “Even the veteran players, even those who have lived with grief in their own lives, have been awed by Monahan’s ability to play at a high level while modeling grace and vulnerability,” [wrote Aaron Portzline in *The Athletic*](#). “Just the way Monny has persevered through really, really hard times. It’s been inspiring to me and to the whole group,” captain **Boone Jenner** said. “The way he’s handled himself, just stepping in here under those circumstances. He’s been a leader in the room and a leader on the ice. He’s a true pro. Everyone can learn from him.”

CALDER MEMORIAL TROPHY

Description

First awarded in 1932-33, the Calder Memorial Trophy is presented annually “to the player selected as the most proficient in his first year of competition.”

Voting

Members of the Professional Hockey Writers Association submit ballots for the Calder Memorial Trophy at the conclusion of the regular season, with the top three vote-getters designated as finalists.

History

From 1936-37 until his death in 1943, NHL President **Frank Calder** purchased a trophy each year to be given permanently to the League's outstanding rookie. After Calder's death, the NHL presented the Calder Memorial Trophy in his memory.

Eligibility

To be eligible for the Calder Memorial Trophy, a player cannot have played more than 25 games in any single preceding season nor in six or more games in each of any two preceding seasons in any major professional league. Beginning in 1990-91, a player must not have attained his 26th birthday by Sept. 15 of the season in which he is eligible.

* * * * *

2024-25 Finalists

Macklin Celebrini, C, San Jose Sharks

Celebrini (25-38—63 in 70 GP), despite missing 12 games, topped San Jose in scoring and ranked among the NHL rookie leaders in goals (2nd), assists (2nd) and points (3rd). At 18 years, 308 days on the final day of the regular season, he became the third-youngest rookie in League history to lead his team in scoring, behind just **Sidney Crosby** (18 years, 254 days in 2005-06 w/ PIT) and reigning Calder Trophy winner **Connor Bedard** (18 years, 276 days in 2023-24 w/ CHI). Celebrini also established Sharks records for assists and points by a rookie, finishing ahead of **Pat Fallon** (25-34—59 in 1991-92) in both categories, and trailed only **Logan Couture** (32-24—56 in 2010-11) for the franchise's rookie record in goals. The No. 1 overall pick from the 2024 NHL Draft additionally placed among the top 2024-25 rookies in points per game (1st; 0.90), shots on goal (1st; 236), power-play goals (t-1st; 8), power-play assists (2nd; 14), power-play points (2nd; 22), time on ice (2nd; 1,385:10) and game-winning goals (4th; 4). Celebrini is San Jose's first Calder Trophy finalist since 2010-11, when Couture finished second in voting, and is vying to become the second winner in franchise history following **Evgeni Nabokov** (2000-01) – the team's current goaltending director.

Lane Hutson, D, Montreal Canadiens

Hutson (6-60—66 in 82 GP) became the fourth defenseman in the NHL's modern era (since 1943-44) to lead rookies in scoring, joining **Bobby Orr** (13-28—41 in 1966-67 w/ BOS), **Brian Leetch** (23-48—71 in 1988-89 w/ NYR) and **Quinn Hughes** (8-45—53 in 2019-20 w/ VAN). His 60 assists matched **Larry Murphy** (1980-81 w/ LAK) for the most by a rookie defenseman in League history, while his 66 points trailed only Murphy (16-60—76 in 1980-81 w/ LAK), Leetch and **Gary Suter** (18-50—68 in 1985-86 w/ CGY) for the most by a rookie blueliner. No rookie, regardless of position, has registered more assists for the Canadiens in a single season, while only two forwards have collected more points: **Kjell Dahlin** (32-39—71 in 1985-86) and **Mats Naslund** (26-45—71 in 1982-83). Hutson, a second-round pick (62nd overall) in the 2022 NHL Draft, also topped 2024-25 NHL rookies in time on ice (1,864:07 – nearly 500 more minutes than any other skater), power-play assists (25) and power-play points (26). The 21-year-old Hutson is Montreal's first Calder Trophy finalist since 2012-13, when current teammate **Brendan Gallagher** placed second in voting, and is seeking to become the Canadiens' second winner in the expansion era (since 1967-68) after **Ken Dryden** (1971-72).

Dustin Wolf, G, Calgary Flames

Wolf (29-16-8, 2.64 GAA, .910 SV%, 3 SO) paced rookie goaltenders with 29 wins – 14 more than the next-closest player and one shy of the franchise rookie record established by **Mike Vernon** in 1986-87 (30-22-1, 3.62 GAA, .883 SV%, 1 SO) – as the Flames narrowly missed the playoffs due to head-to-head tiebreakers with the St. Louis Blues. Only three U.S.-born rookie netminders have earned more victories in a single season than the Gilroy, Calif., native: **Jimmy Howard** (37 in 2009-10 w/ DET), **Frank Brimsek** (33 in 1938-39 w/ BOS) and **Ryan Miller** (30 in 2005-06 w/ BUF). Wolf, a seventh-round selection (214th overall) in the 2019 NHL Draft, made at least 25 saves in 35 of his 53 total appearances (66.0%) and allowed two or fewer goals 25 times (47.2%). The 24-year-old is Calgary's first Calder Trophy finalist since 2014-15, when **Johnny Gaudreau** ranked third in voting, and is looking to become the franchise's fourth recipient after **Gary Suter** (1985-86), **Joe Nieuwendyk** (1987-88) and **Sergei Makarov** (1989-90) all won during a five-year stretch. Wolf also is vying to become the fourth goaltender this century to capture the award, following **Evgeni Nabokov** (2000-01 w/ SJS), **Andrew Raycroft** (2003-04 w/ BOS) and **Steve Mason** (2008-09 w/ CBJ).

E.J. McGUIRE AWARD OF EXCELLENCE

Description

First awarded in 2014-15, the E.J. McGuire Award of Excellence is presented annually “to the NHL Draft prospect who best exemplifies commitment to excellence through strength of character, competitiveness and athleticism.”

History

After many years of coaching and scouting at various levels of hockey, **E.J. McGuire** joined the NHL’s Central Scouting Bureau in 2002 and assumed day-to-day responsibility for the department in 2005. McGuire spearheaded an operation that provided scouting and evaluation of draft-eligible players to NHL Member Clubs. He led a team of eight full-time and 15 part-time scouts throughout North America. Just as he brought innovation to the coaching profession throughout his career, McGuire was responsible for several advancements in the area of scouting during his nine years at the League, including the development of a new scouting technology system that brought the “art” of scouting to a whole new level. He was instrumental in raising both the effectiveness and profile of the League’s annual scouting combine. McGuire lost his short, but courageous, battle with cancer in April 2011.

E.J. McGUIRE AWARD OF EXCELLENCE WINNERS

Season	Winner
2023-24	Michael Hage
2022-23	Connor Bedard
2021-22	Lane Hutson
2020-21	William Eklund
2019-20	Zayde Wisdom
2018-19	Brett Leason
2017-18	Humboldt Broncos
2016-17	Nico Hischier
2015-16	Neil Doef
2014-15	Travis Konecny

FRANK J. SELKE TROPHY

Description

First awarded in 1977-78, the Frank J. Selke Trophy is presented annually “to the forward who best excels in the defensive aspects of the game.”

Voting

Members of the Professional Hockey Writers Association submit ballots for the Frank J. Selke Trophy at the conclusion of the regular season, with the top three vote-getters designated as finalists.

History

The Frank J. Selke Trophy was presented in 1977 by the NHL’s Board of Governors in honor of **Frank J. Selke**, one of the great architects of Montreal and Toronto’s championship teams.

* * * * *

2024-25 Finalists

Aleksander Barkov, C, Florida Panthers

Barkov helped the Panthers rank among the NHL’s top 10 clubs in goals-against per game (7th, 2.72), penalty-killing percentage (10th, 80.7%) and shots-against per game (5th, 26.2). He ranked fourth among NHL forwards [in the puck possession metric SAT%](#) (59.3%), with Florida accounting for 59.3% of all shot attempts 5-on-5 when Barkov was on the ice. The puck was in the offensive zone for 46.7% of the time Barkov was on the ice at even strength [according to NHL EDGE tracking data](#), ranking in the 98th percentile among NHL skaters, and in the defensive zone for just 35.5% of the time (97th percentile). The Panthers captain is a Selke Trophy finalist for the fourth time in the past five seasons. He became the first Selke winner in franchise history in 2020-21, captured his second last season and aims to join **Patrice Bergeron**, **Pavel Datsyuk** and **Rod Brind’Amour** as back-to-back winners in the past quarter-century.

Anthony Cirelli, C, Tampa Bay Lightning

Cirelli posted several single-season highs in helping the Lightning allow just 216 goals in 2024-25 (not including goals-against for shootout losses), the fourth-lowest total in the NHL and 51 fewer than in 2023-24 – the second-biggest drop among all clubs. He recorded a career-best +30 rating, seventh among NHL forwards, and set a new scoring mark with 59 points (27 goals, 32 assists) in 80 games despite making 257 of his 963 face-off shift starts in the offensive zone (26.7%). He played the most minutes in his eight-season NHL career (1495:14, an average of 18:41 per game), took the most face-offs (1,292) and recorded the most face-off wins (647, 50.1%). He led all Lightning forwards in shorthanded ice time (164:19) for a unit that ranked sixth in the NHL at 81.6% and contributed seven shorthanded points (four goals, three assists), tied for second in the NHL. Cirelli is a first-time NHL Awards finalist and the first Lightning player voted a Selke finalist in franchise history.

Sam Reinhart, C, Florida Panthers

Reinhart joined teammate/Selke finalist **Aleksander Barkov** as a zone time leader at even strength; the puck was in the offensive zone for 45.8% of the time Reinhart was on the ice [according to NHL EDGE tracking data](#), ranking in the 96th percentile among NHL skaters, and in the defensive zone for just 36.3% of the time (95th percentile). Reinhart doubled as an elite scorer and penalty-killer, leading the club with 81 points (39 goals, 42 assists) and ranking third among Panthers forwards in shorthanded ice time (123:19). The only NHL forwards with more in both categories were **Jesper Bratt** (NJD), **Brandon Hagel** (TBL) and **Mitch Marner** (TOR). The Panthers penalty-killers tied a franchise record by scoring 12 shorthanded goals, with Reinhart notching five of them to tie for third in the NHL. Having also scored five in 2023-24, Reinhart is the first player to record 5+ SHG in back-to-back seasons since Philadelphia’s **Mike Richards** in 2007-08 (five) and 2008-09 (seven). Reinhart is an NHL Awards finalist for the first time.

FRANK J. SELKE TROPHY WINNERS

Season	Winner	Team
2023-24	Aleksander Barkov	Florida Panthers
2022-23	Patrice Bergeron	Boston Bruins

HART MEMORIAL TROPHY

Description

First awarded in 1923-24, the Hart Memorial Trophy is presented annually “to the player adjudged to be the most valuable to his team.”

Voting

Members of the Professional Hockey Writers Association submit ballots for the Hart Memorial Trophy at the conclusion of the regular season, with the top three vote-getters designated as finalists.

History

The Hart Memorial Trophy was presented by the NHL in 1960 after the original Hart Trophy was retired to the Hockey Hall of Fame. The original Hart Trophy was donated to the League in 1924 by **Dr. David A. Hart**, father of **Cecil Hart**, former manager-coach of the Montreal Canadiens.

* * * * *

2024-25 Finalists

Leon Draisaitl, C, Edmonton Oilers

Draisaitl (52-54—106 in 71 GP), despite missing 11 games, topped the League with 52 goals to secure his first career Maurice “Rocket” Richard Trophy and guide the Oilers (48-29-5, 101 points) to their sixth straight playoff berth. He set a single-season NHL record with six overtime goals, shared first place in game-winning goals (11) and multi-goal performances (10), ranked second in even-strength goals (36), and tied for second in power-play goals (16). Draisaitl, who scored in 42 of his 71 total contests (59.2%) and registered both the longest goal (t-7 GP) and point (18 GP) streaks by any player in 2024-25, also finished among the League leaders in points per game (2nd; 1.49), points (3rd; 106), shooting percentage (minimum: 1 SOG/GP, 4th; 21.7%), power-play points (t-10th; 33) and plus/minus (t-10th; +32). He reached the 100-point milestone for the fourth consecutive season and sixth time overall on March 14 at NYI. Just six players in NHL history have posted more such campaigns: **Wayne Gretzky** (15), **Mario Lemieux** (10), **Marcel Dionne** (8), **Connor McDavid** (8), **Mike Bossy** (7) and **Peter Stastny** (7). The 29-year-old Draisaitl, the 2019-20 recipient, is seeking to become the third Oilers player with multiple Hart Trophy wins, after Gretzky (8) and McDavid (3). Only two NHL franchises, both from the Original Six, currently have at least three players with multiple Hart Trophies: the Boston Bruins (4: **Bill Cowley**, **Phil Esposito**, **Bobby Orr** and **Eddie Shore**) and Montreal Canadiens (3: **Jean Beliveau**, **Guy Lafleur** and **Howie Morenz**).

Connor Hellebuyck, G, Winnipeg Jets

Hellebuyck (47-12-3, 2.00 GAA, .925 SV%, 8 SO), who already captured the William M. Jennings Trophy and also has been named a finalist for the Vezina Trophy, led the NHL with 47 victories to lift the Jets (56-22-4, 116 points) to franchise records for wins and points in a season as well as their first Presidents’ Trophy. Only two netminders in League history have recorded more wins in a single campaign: **Martin Brodeur** in 2006-07 (48 w/ NJD) and **Braden Holtby** in 2015-16 (48 w/ WSH). Hellebuyck’s nine-win edge over No. 2-ranked **Andrei Vasilevskiy** (38-20-5 w/ TBL) also represented the largest gap between the NHL’s top-two winningest goaltenders since 1990-91, when No. 1 **Ed Belfour** (43-19-7 w/ CHI) finished 12 ahead of No. 2 **Mike Vernon** (31-19-3 w/ CGY). Hellebuyck, who yielded two or fewer goals in 40 of his 63 total appearances (63.5%), additionally placed among the League leaders (minimum: 25 GP) in goals-against average (1st; 2.00), shutouts (1st; 8), save percentage (2nd; .925), games started (2nd; 62), saves (4th; 1,539) and high-danger save percentage (4th; .845). The 31-year-old Hellebuyck is the first player in Jets/Thrashers history who has been voted as a finalist for the Hart Trophy. He also is the first goaltender who has been selected as a finalist since **Igor Shesterkin** in 2021-22 (3rd w/ NYR) and is vying to become the fourth netminder in the expansion era (since 1967-68) to win the award, following **Dominik Hasek** (1996-97 and 1997-98 w/ BUF), **Jose Theodore** (2001-02 w/ MTL) and **Carey Price** (2014-15 w/ MTL).

Nikita Kucherov, RW, Tampa Bay Lightning

Kucherov (37-84—121 in 78 GP) paced the NHL with 121 points – 31 more than his closest teammate (**Brandon Hagel**: 35-55—90 in 82 GP) – to capture his second straight and third overall Art Ross Trophy as well as power the Lightning (47-27-8, 102 points) to their eighth consecutive playoff berth. Kucherov – who became the 14th player in League history with at least three career 120-point seasons (also 2018-19: 41-87—128 and 2023-24: 44-100—144) – followed up an 83-assist performance in 2022-23 and a 100-assist campaign in 2023-24 by sharing first place with 84 helpers in 2024-25, making him the fourth player in League history with three straight 80-assist seasons. The others: **Wayne Gretzky** (13; 1979-90 – 1991-92), **Bobby Orr** (3; 1969-70 – 1971-72) and **Paul Coffey** (3; 1983-84 – 1985-86). Kucherov found the score sheet in 65 of his 78 total appearances (83.3%), producing multiple points 33 times (2nd in the NHL) and three or more points on 17 occasions (1st in the NHL) to also rank among the League leaders in points per game (1st; 1.55), power-play assists (1st; 38), power-play points (1st; 46), even-strength points (3rd; 75), even-strength assists (5th; 46), game-winning goals (t-5th; 9), even-strength goals (t-8th; 29), shots on goal (9th; 265) and goals (t-13th; 37). The 31-year-old Kucherov, the 2018-19 Hart Trophy recipient, is seeking to become the third player to go six-plus years between wins, after **Jean Beliveau** (8 years, 1955-56 and 1963-64) and **Sidney Crosby** (7 years, 2006-07 and 2013-14).

JACK ADAMS AWARD

Description

First awarded in 1973-74, the Jack Adams Award is presented annually “to the coach adjudged to have contributed the most to his team’s success.”

Voting

Members of the NHL Broadcasters’ Association submit ballots for the Jack Adams Award at the conclusion of the regular season, with the top three vote-getters designated as finalists.

History

The Jack Adams Award was presented by the NHL Broadcasters’ Association in 1974 in honor of the late **Jack Adams**, longtime coach and general manager of the Detroit Red Wings.

* * * * *

2024-25 Finalists

Scott Arniel, Winnipeg Jets

Arniel, in his first year as head coach of the Jets, guided Winnipeg (56-22-4, 116 points) to franchise records for wins and points in a season en route to the team’s first Presidents’ Trophy. Only three head coaches in NHL history have earned more victories in their first season at the helm of an organization: **Jim Montgomery** (65 in 2022-23 w/ BOS), **Mike Babcock** (58 in 2005-06 w/ DET) and **Tom Johnson** (57 in 1970-71 w/ BOS). Arniel, who became the first head coach in League history to win each of his first eight games with a club (Oct. 9-26), additionally helped Winnipeg become the first team in NHL history to win 15 of its first 16 contests of a season (Oct. 9 – Nov. 12). The Jets ultimately allowed the fewest goals in the NHL (191, including shootout-deciding goals) to capture their second straight William M. Jennings Trophy; topped the League and set a franchise record for road wins (26); boasted the NHL’s best power play (28.9%) and goal differential (+86); and tied for the third-most goals in the League (277, including shootout-deciding goals). Arniel is the second Winnipeg head coach in as many seasons who has been selected as a finalist for the Jack Adams Award, after **Rick Bowness** finished third in voting in 2023-24, and is vying to become the first winner in Jets/Thrashers history.

Spencer Carbery, Washington Capitals

Carbery, in his second year as Washington’s head coach, led the Capitals (51-22-9, 111 points) to the No. 2 overall record in the NHL as well as the top seed in the Eastern Conference for the first time since 2016-17. After seeing an 11-point improvement during his first season, Washington jumped 20 points this year – the third-largest gain from 2023-24 behind only Columbus (+23) and Anaheim (+21). The Capitals also boasted a 68-goal improvement in total offense (including shootout-deciding goals), rising from 28th place in 2023-24 (220) to second this season (288). The team additionally finished among the League leaders in comeback wins (1st; 25), road points (t-1st; 53), goal differential (t-3rd; +56), penalty killing (5th; 82.0%), home points (7th; 58) and goals against (9th; 232, including shootout-deciding goals). Carbery is vying to become the fourth Washington head coach to win the Jack Adams Award, following **Bryan Murray** (1983-84), **Bruce Boudreau** (2007-08) and **Barry Trotz** (2015-16). He also is looking to become the first individual capture coach of the year honors at the ECHL, AHL and NHL levels, after winning the ECHL’s [John Brophy Award](#) in 2013-14 (South Carolina Stingrays) and the AHL’s [Louis A.R. Pieri Memorial Award](#) in 2020-21 (Hershey Bears).

Martin St. Louis, Montreal Canadiens

St. Louis, in his third full season behind the Montreal bench, directed the Canadiens (40-31-11, 91 points) to their first playoff berth since 2020-21 and their best overall record since 2018-19 (44-30-8, 96 points). The team continued its upward trajectory under St. Louis’ leadership, posting a 15-point improvement over last season’s 28th-place finish following an eight-point rise from 2022-23 to 2023-24. That three-year stretch also has seen the Canadiens steadily increase their offense (from 232 GF in 2022-23 to 236 GF in 2023-24 and 245 GF in 2024-25), while tightening their defense (from 307 GA in 2022-23 to 289 GA in 2023-24 and 265 GA in 2024-25). Among the largest improvements has been Montreal’s penalty kill, which went from 29th in 2022-23 (72.7%) to 24th in 2023-24 (76.5%) and ninth this season (80.9%). St. Louis – who won four individual NHL Awards as a player (Lady Byng Memorial Trophy: 3x, Art Ross Trophy: 2x, Hart Memorial Trophy: 1x, Ted Lindsay Award: 1x) – is the Canadiens’ first Jack Adams Award finalist since 2007-08, when **Guy Carbonneau** placed second in voting, and is seeking to become the franchise’s third winner, following **Scotty Bowman** (1976-77) and **Pat Burns** (1988-89).

JACK ADAMS AWARD WINNERS

Season	Winner	Team
2023-24	Rick Tocchet	Vancouver Canucks
2022-23	Jim Montgomery	Boston Bruins
2021-22	Darryl Sutter	Calgary Flames
2020-21	Rod Brind'Amour	Carolina Hurricanes
2019-20	Bruce Cassidy	Boston Bruins
2018-19	Barry Trotz	New York Islanders
2017-18	Gerard Gallant	Vegas Golden Knights

JAMES NORRIS MEMORIAL TROPHY

Description

First awarded in 1953-54, the James Norris Memorial Trophy is presented annually “to the defense player who demonstrates throughout the season the greatest all-round ability in the position.”

Voting

Members of the Professional Hockey Writers Association submit ballots for the James Norris Memorial Trophy at the conclusion of the regular season, with the top three vote-getters designated as finalists.

History

The James Norris Memorial Trophy was presented in 1953 by the four children of the late **James Norris** in memory of the former owner-president of the Detroit Red Wings.

* * * * *

2024-25 Finalists

Quinn Hughes, Vancouver Canucks

Hughes paced the Canucks in several categories, including assists (60), points (76), shots on goal (192), ice time per game (25:44) and the puck possession metric SAT (55.5%). He led the Canucks in scoring by 26 points; the only other defenseman in NHL history to lead his team by as wide a margin was **Erik Karlsson**, who topped all San Jose Sharks by 34 points in 2022-23. Hughes reached the 60-assist mark for the fourth consecutive season, becoming the fourth defenseman in NHL history to achieve that feat, joining **Bobby Orr** (six consecutive), **Ray Bourque** (five) and **Paul Coffey** (five). He ended the season tied with **Alexander Edler** for the most points by a defenseman in franchise history (409). The 25-year-old Orlando, Fla., native, who joined **Chris Chelios**, **Brian Leetch** and **Adam Fox** as the fourth U.S.-born player to capture the Norris Trophy in 2023-24, is aiming to become the first repeat winner since **Nicklas Lidstrom** garnered a three-peat with the Detroit Red Wings from 2005-06 through 2007-08.

Cale Makar, Colorado Avalanche

Makar opened the season with a 13-game point streak, the second-longest by a defenseman to launch a campaign behind **Bobby Orr**'s run of 15 games in 1973-74, and went on to lead NHL blueliners in goals (30), assists (62) and points (92). He became the first defenseman to reach the 30-goal mark since **Mike Green** in 2008-09, with the 30 goals and 92 points setting franchise marks for a defenseman. The Calgary native is the fifth defenseman all-time to post back-to-back 90-point seasons and the first since **Paul Coffey** (three, 1988-89 to 1990-91) and **Al MacInnis** (two, 1989-90 to 1990-91). Makar is a Norris Trophy finalist for the fifth time in his first six NHL seasons, after winning the award in 2021-22, finishing second in 2020-21 and placing third in 2022-23 and 2023-24. Only three other players have been voted as a Norris Trophy finalist at least five times within their first six seasons – Orr (6x), **Brad Park** (5x) and **Denis Potvin** (5x) – and just two of them have multiple wins within that span – Orr (5x) and Potvin (3x).

Zach Werenski, Columbus Blue Jackets

Werenski rewrote the Blue Jackets record book in 2024-25, becoming the first Columbus defenseman to lead the team in scoring. He broke his own franchise records for defensemen in goals (23), assists (59) and points (82), leading the Blue Jackets to a 23-point improvement over 2023-24, the biggest gain in the NHL. His 59 assists matched the overall franchise record set by **Artemi Panarin** in 2018-19 and only Panarin (87 in 2018-19 and 82 in 2017-18) has posted as many points in one season. Werenski ranked second among NHL defensemen in goals and points, was fourth in assists and led all NHL players in average ice time (a CBJ-record mark of 26:45) and distance skated (320.25 miles). He ranked third in the League with 298 shots on goal, the only defenseman to place in the NHL's top 12. The Grosse Pointe, Mich., native is a Norris Trophy finalist for the first time and the first Blue Jackets defenseman so honored. He was voted a finalist for the Calder Trophy as the League's top rookie in 2016-17, finishing third behind **Auston Matthews** and **Patrik Laine**.

JIM GREGORY GENERAL MANAGER OF THE YEAR AWARD

Voting

NHL general managers and a panel of League executives, print and broadcast media vote for the Jim Gregory General Manager of the Year Award at the conclusion of the Second Round of the Stanley Cup Playoffs, with the top three vote-getters designated as finalists.

History

The NHL General Manager of the Year Award first was presented in 2009-10. It was renamed in 2019-20 in honor of **Jim Gregory**, the 2007 Hockey Hall of Fame inductee who served as Toronto Maple Leafs general manager and a League executive for four decades.

* * * * *

JIM GREGORY GENERAL MANAGER OF THE YEAR AWARD WINNERS

Season	Winner	Team
2023-24	Jim Nill	Dallas Stars
2022-23	Jim Nill	Dallas Stars
2021-22	Joe Sakic	Colorado Avalanche
2020-21	Lou Lamoriello	New York Islanders
2019-20	Lou Lamoriello	New York Islanders

KING CLANCY MEMORIAL TROPHY

Description

First awarded in 1987-88, the King Clancy Memorial Trophy is presented annually “to the player who best exemplifies leadership qualities on and off the ice and has made a noteworthy humanitarian contribution in his community.”

Voting

Each NHL team submits a nominee for the King Clancy Memorial Trophy. The winner is selected by a committee consisting of Commissioner **Gary Bettman** and former winners of the King Clancy Memorial Trophy as well as the NHL Foundation Player Award.

In determining the winner, the selection committee considers the criteria of a nominee’s inspiration, involvement and impact to positively benefit his community.

History

The King Clancy Memorial Trophy was presented in 1988 by the NHL’s Board of Governors in honor of **Frank “King” Clancy**, a beloved figure in the League for decades as a player, referee, coach, manager and goodwill ambassador. A three-time Stanley Cup champion and 1958 inductee to the Hockey Hall of Fame, Clancy was voted as one of the 100 Greatest NHL Players during the League’s Centennial Celebration in 2017.

Charitable Donations

The King Clancy Memorial Trophy winner receives a \$25,000 donation to benefit a charity or charities of his choice. The winner also is eligible to elect that his team receive a grant from the NHL, up to \$20,000, to help organize a special activation related to his humanitarian cause.

1989-90	Kevin Lowe	Edmonton Oilers
1988-89	Bryan Trottier	New York Islanders
1987-88	Lanny McDonald	Calgary Flames

LADY BYNG MEMORIAL TROPHY

Description

First awarded in 1924-25, the Lady Byng Memorial Trophy is presented annually “to the player adjudged to have exhibited the best type of sportsmanship and gentlemanly conduct combined with a high standard of playing ability.”

Voting

Members of the Professional Hockey Writers Association submit ballots for the Lady Byng Memorial Trophy at the conclusion of the regular season, with the top three vote-getters designated as finalists.

History

Lady Byng, wife of Canada’s Governor General at the time, presented the Lady Byng Trophy during the 1924-25 season. After **Frank Boucher** of the New York Rangers won the award seven times in eight seasons, he was given the trophy to keep and Lady Byng donated another trophy in 1936. After Lady Byng’s death in 1949, the NHL presented a new trophy, changing the name to the Lady Byng Memorial Trophy.

* * * * *

2024-25 Finalists

Jack Eichel, C, Vegas Golden Knights

Eichel produced the most prolific season of his 10-year career, establishing a franchise record and ranking eighth in the entire League with 28-66—94 in 77 appearances to power the Golden Knights (50-22-10, 110 points) to their fourth division title in eight NHL seasons. The No. 2 overall pick from the 2015 NHL Draft – who registered his 600th career point in his 607th game (March 22 vs. DET) – also placed among the League leaders in power-play assists (t-3rd; 29), multi-point performances (5th; 30), assists (6th; 66), power-play points (t-7th; 34), plus/minus (t-10th; 32), even-strength assists (t-15th; 36) and even-strength points (17th; 58). He did so while taking just four minor penalties for a total of eight penalty minutes, tied for the second-fewest among the NHL’s top 50 scorers. The 28-year-old Eichel, a first-time NHL Awards finalist, is seeking to become the second Vegas player to win the Lady Byng Trophy after **William Karlsson** captured the award during the franchise’s inaugural season (2017-18).

Anze Kopitar, C, Los Angeles Kings

Kopitar, in his 19th NHL campaign and ninth as the Kings’ captain, placed second on the team with 21-46—67 in 81 contests to help Los Angeles (48-25-9, 105 points) match franchise records for wins and points in a season. Kopitar – who finished the campaign in 28th place in NHL history for career assists (838) and in 40th place for career points (1,278) – also ranked among the 2024-25 League leaders (using respective minimums) in percentage of team face-offs taken (5th; 33.5%), shooting percentage (6th; 21.4%) and face-off winning percentage (10th; 57.2%). He logged 1,535:25 of time on ice (an average of 18:57 per game) while recording only four penalty minutes, the fewest among the 527 NHL skaters who made at least 55 appearances during the season. The 37-year-old Kopitar, who previously received the award in 2015-16 and 2022-23, is looking to become the third player this century with at least three Lady Byng Trophy wins. The others:

Pavel Datsyuk (4x) and **Martin St. Louis** (3x).

Brayden Point, C, Tampa Bay Lightning

Point reached the 40-goal and 80-point milestones for the third consecutive season, compiling 42-40—82 in 77 games to propel the Lightning (47-27-8, 102 points) to their eighth straight playoff appearance. He topped the NHL (minimum: 1 SOG/GP) by scoring on a career-best 22.2 percent of his shots on goal, also finishing among the League leaders in high-danger goals (1st; 28), power-play goals (t-2nd; 16), goals (6th; 42), multi-goal games (t-13th; 6), power-play points (t-13th; 31), game-winning goals (t-15th; 7) and points (20th; 82). The nine-year veteran was assessed one major and one minor penalty for a total of seven penalty minutes, the fewest among the League’s top 50 scorers and second only to Kopitar among the NHL’s top 200 point-producers. The 29-year-old Point, who ranked third in voting in 2022-23, is vying to join **Martin St. Louis** (3x, most recently 2012-13) and **Brad Richards** (2003-04) as the third Lightning player to win the Lady Byng Trophy.

MARK MESSIER NHL LEADERSHIP AWARD

Description

First awarded in 2006-07, the Mark Messier NHL Leadership Award is presented annually “to the player who exemplifies great leadership qualities to his team, on and off the ice, during the regular season and who plays a leading role in his community growing the game of hockey.”

Voting

Mark Messier solicits suggestions from team and League personnel to compile a list of potential candidates for the award. However, the selection of the three finalists and ultimate winner is Messier’s alone.

History

Presented in honor of one of hockey’s great leaders, the Mark Messier NHL Leadership Award was first handed out in 2006-07.

* * * * *

MARK MESSIER NHL LEADERSHIP AWARD WINNERS

Season	Winner	Team(s)
2023-24	Jacob Trouba	New York Rangers
2022-23	Steven Stamkos	Tampa Bay Lightning
2021-22	Anze Kopitar	Los Angeles Kings

2007-08	Mats Sundin	Toronto Maple Leafs
2006-07	Chris Chelios	Detroit Red Wings

MAURICE “ROCKET” RICHARD TROPHY

Description

First awarded in 1998-99, the Maurice “Rocket” Richard Trophy is presented annually “to the player finishing the regular season as the League’s goal-scoring leader.”

History

A gift to the NHL from the Montreal Canadiens in 1999, the Maurice “Rocket” Richard Trophy honors one of the game’s greatest stars. During his 18-year career with the Canadiens from 1942-43 through 1959-60, Richard was the first player in NHL history to score 50 goals in a season and 500 in his career. He played on eight Stanley Cup champion teams and led the League in goals five times.

2024-25 Winner

Edmonton Oilers center **Leon Draisaitl** scored 52 goals in 71 games (52-54—106) to end the season seven ahead of Toronto Maple Leafs right wing **William Nylander** (45-39—84 in 82 GP) and earn his first Maurice “Rocket” Richard Trophy, after second-place finishes in 2018-19 and 2021-22. He became the second Oilers player – following **Connor McDavid** in 2022-23 – to win the Maurice “Rocket” Richard Trophy, which first was awarded in 1998-99. Two other Edmonton players have topped the League in goals: **Wayne Gretzky** (5x, most recently in 1986-87) and **Jari Kurri** (1985-86). Draisaitl held at least a share of the League lead in goals every day from Dec. 5 onward, sitting outright in first place from Dec. 16 through the balance of the season despite missing 11 of the Oilers’ 51 remaining games. He notched goals in 42 of his 71 total contests (59.2%), matching a career high by scoring in seven straight appearances from Feb. 4-27 (8-3—11). Draisaitl, who set a single-season League record with six overtime goals, additionally finished among the top 2024-25 NHL performers in game-winning goals (t-1st; 11), multi-goal games (t-1st; 10), even-strength goals (2nd; 36) and power-play goals (t-2nd; 16).

PRESIDENTS' TROPHY

Description

First awarded in 1985-86, the Presidents' Trophy is presented annually "to the team finishing the regular season with the best overall record."

History

The NHL's Board of Governors presented the Presidents' Trophy in 1985-86 to recognize the team with the top regular-season record.

2024-25 Winner

The Winnipeg Jets (56-22-4, 116 points) set franchise records for wins and points in a season to capture their first Presidents' Trophy in franchise history. Their 56 wins were four more than their previous high, set in 2017-18 and matched in 2023-24, while their 114 points were two more than their previous best from 2017-18. The Jets yielded a League-low 191 goals (including shootout-deciding goals) to claim their second straight William M. Jennings Trophy. They also shared third place in total offense (277 GF), powered by the NHL's top power play (28.9%), as they led the League with a +86 goal differential.

* Won Stanley Cup

^ The 2019-20 regular season was declared concluded through games of March 11, 2020, due to the COVID-19 pandemic; points percentage was used to determine final standings

TED LINDSAY AWARD

Description

First awarded in 1970-71 (as the Lester B. Pearson Award), the Ted Lindsay Award is presented annually “to the most outstanding player as voted by fellow members of the NHLPA.”

History

The Ted Lindsay Award is the only NHL Trophy voted on by the players themselves, carrying on the tradition established by the Lester B. Pearson Award in 1970-71. Reintroduced in 2009-10, the Ted Lindsay Award honors its namesake, a Hockey Hall of Famer known for his skill, tenacity, leadership and role in establishing the NHLPA.

* * * * *

2024-25 Finalists

Nikita Kucherov, RW, Tampa Bay Lightning

Kucherov played in 78 regular-season games for the Tampa Bay Lightning during the 2024-25 season. The forward from Maykop, Adygea, Russia, led the league in scoring (121 points) to win his second consecutive and third overall (also 2018-19) Art Ross Trophy. Kucherov shared the league lead in assists (84), while becoming the fourth NHL player to record three consecutive 80-assist seasons. He led the league in points per game (1.55), primary assists (56), power-play points (46) and power-play assists (38), and he finished third in even-strength points (75). Kucherov tied for fifth in game-winning goals (9) and tied for 13th in goals (37). In his 12th year in the NHL, the forward placed third among right wingers in average time on ice (21:11). Kucherov was a finalist for last season's award (2023-24), and he is seeking his second TLA (2018-19) in seven seasons.

Nathan MacKinnon, C, Colorado Avalanche

MacKinnon played in 79 games for the Colorado Avalanche during the 2024-25 regular season. The forward from Cole Harbour, Nova Scotia, Canada, recorded his third consecutive 100-point season to place second in league scoring (116 points). MacKinnon became the 12th NHL player to record three consecutive 110-point seasons, while leading all centres in scoring this season. He shared the league lead in assists (84), led the league in shots (320), tied for second in power-play primary assists (17), and he placed second in primary assists (53), even-strength points (78) and power-play points (38). MacKinnon led all forwards in average ice time (22:47) and ranked fourth in points per game (1.47). He became the second-ever Avalanche recipient (**Joe Sakic**, 2000-01) last season. A four-time TLA finalist (also 2017-18, 2019-20), MacKinnon is seeking to become the first player since **Connor McDavid** (2016-17, 2017-18) to receive consecutive most outstanding player awards.

Cale Makar, D, Colorado Avalanche

Makar played in 80 regular-season games for the Colorado Avalanche in 2024-25. The defenceman from Calgary, Alberta, Canada, set career highs in goals (30) and points (92) to lead all defencemen while ranking ninth overall in league scoring. Makar also led all defencemen in assists (62) and became only the fifth defenceman in NHL history to reach the 30-goal and 60-assist marks in a single campaign. He became the first defenceman to reach 90 points in consecutive seasons since **Paul Coffey** (1988-89 to 1990-91) and **Al MacInnis** (1989-90 to 1990-91). Makar led all defencemen in power-play goals (12), power-play primary assists (13) and power-play points (35). He recorded a career high in shots (246) and placed third in the NHL in average time on ice (25:43). A first-time finalist for the award, Makar is seeking to become the first defenceman to receive the TLA since **Bobby Orr** (1974-75).

* Called Lester B. Pearson Award from 1971-2009

VEZINA TROPHY

Description

First awarded in 1926-27, the Vezina Trophy is presented annually “to the goaltender adjudged to be the best at his position.” Before the 1981-82 season, the goaltender(s) of the team allowing the fewest number of goals during the regular season – the current criteria for the William M. Jennings Trophy – won the Vezina Trophy.

Voting

The general managers of the NHL’s 32 teams submit ballots for the Vezina Trophy at the conclusion of the regular season, with the top three vote-getters designated as finalists.

History

Leo Dandurand, **Louis Letourneau** and **Joe Cattarinich**, former owners of the Montreal Canadiens, presented the trophy to the NHL in 1926-27 in memory of **Georges Vezina**, the outstanding Canadiens goaltender who collapsed during a game on Nov. 28, 1925, and died of tuberculosis a few months later.

* * * * *

2024-25 Finalists

Connor Hellebuyck, Winnipeg Jets

Hellebuyck, the reigning Vezina Trophy winner, went 47-12-3 with a 2.00 goals-against average, .925 save percentage and eight shutouts in 63 appearances to propel the Jets (56-22-4, 116 points) to franchise records for wins and points in a season as well as their first Presidents’ Trophy. Hellebuyck, who earned his second straight William M. Jennings Trophy, paced the NHL with 47 victories – nine more than the closest competition and a number topped by just two goaltenders in League history: **Martin Brodeur** (48 in 2006-07 w/ NJD) and **Braden Holtby** (48 in 2015-16 w/ WSH). Hellebuyck additionally led the NHL (minimum: 25 GP) in goals-against average and shutouts, and ranked second – behind **Anthony Stolarz** (.926 in 34 GP w/ TOR) – in save percentage. Only one other netminder since 1991-92 has finished among the top two in all four categories during a single season (with appropriate minimums): **Carey Price** in 2014-15 (w/ MTL; 1st in W, 1st in GAA, 1st in SV%, t-2nd in SO). The 31-year-old Hellebuyck, a two-time Vezina Trophy winner (also 2019-20), is seeking to become the fourth goaltender to capture the award at least three times under its current format (since 1981-82), following **Dominik Hasek** (6x), Brodeur (4x) and **Patrick Roy** (3x). Hellebuyck also is looking to become the first repeat winner since Brodeur in 2006-07 and 2007-08 (w/ NJD).

Darcy Kuemper, Los Angeles Kings

Kuemper (31-11-7), in his second stint with the Kings, placed among the League leaders (minimum: 25 GP) in high-danger save percentage (1st; .863), goals-against average (2nd; 2.02), save percentage (3rd; .922), shutouts (t-4th; 5) and wins (t-6th; 31) to help Los Angeles (48-25-9, 105 points) match franchise records for wins and points in a season. Kuemper yielded two or fewer goals in 34 of his 50 total appearances (68.0%), highlighted by a stretch of 15 consecutive starts from March 5 – April 10 (11-3-1, 1.20 GAA, .950 SV%, 3 SO). Only one other goaltender has posted a run of that length in the NHL’s expansion era (since 1967-68): **Miikka Kiprusoff** in 2003-04 (16 GP w/ CGY). Kuemper – who was 34 years, 346 days on the final day of the regular season – is the fourth netminder since 1981-82 who has been voted as a finalist for the Vezina Trophy *for the first time* at age 34 or older. The others: **Marc-Andre Fleury** (36 years, 172 days in 2020-21 w/ VGK), **Sean Burke** (35 years, 75 days in 2001-02 w/ PHX) and **Tim Thomas** (34 years, 362 days in 2008-09 w/ BOS). Kuemper also is just the second Kings goaltender who has been selected as a finalist for the award under its current format and is vying to become the team’s first winner, after **Jonathan Quick** placed second in voting in 2011-12 and third in 2015-16.

Andrei Vasilevskiy, Tampa Bay Lightning

Vasilevskiy (38-20-5) ranked second in the NHL with 38 wins, also finishing among the top five (minimum: 25 GP) in games played (t-1st; 63), saves (2nd; 1,581), high-danger save percentage (2nd; .853), shutouts (t-2nd; 6), goals-against average (4th; 2.18) and save percentage (4th; .921) to guide the Lightning (47-27-8, 102 points) to their eighth straight playoff berth. He became the fastest goaltender in League history to reach the 300-win milestone, doing so in his 490th career contest (Nov. 14 vs. WPG). Vasilevskiy later became the third netminder in NHL history to record eight consecutive 30-win seasons (hitting the mark March 6 vs. BUF), joining **Martin Brodeur** (12 from 1995-96 – 2007-08) and **Patrick Roy** (8 from 1995-96 – 2002-03). The 30-year-old Vasilevskiy is a Vezina Trophy finalist for the fifth time, after winning the award in 2018-19, finishing as a runner-up in 2020-21, and placing third in voting in both 2017-18 and 2019-20. He and Hellebuyck follow Brodeur (9x), Roy (7x), **Dominik Hasek** (6x), **Tom Barrasso** (5x) and **Henrik Lundqvist** (5x) as the only goaltenders who have been selected as Vezina Trophy finalists at least five times under the award’s current format (since 1981-82).

** Before the 1981-82 season, the goaltender(s) of the team allowing the fewest goals during the regular season – the current criteria for the William M. Jennings Trophy – won the Vezina Trophy*

WILLIAM M. JENNINGS TROPHY

Description

First awarded in 1981-82, the William M. Jennings Trophy is presented annually “to the goaltender(s) having played a minimum of 25 games for the team(s) with the fewest goals scored against it during the regular season.”

History

The William M. Jennings Trophy was presented in 1981-82 by the NHL’s Board of Governors in honor of the late **William M. Jennings**, longtime governor and president of the New York Rangers and one of the great builders of hockey in the United States.

Until the 1980-81 season, the Vezina Trophy was awarded to the goaltender(s) of the team(s) allowing the fewest number of goals during the regular season.

2024-25 Winner

Connor Hellebuyck, who helped the Winnipeg Jets capture the award for the first time in 2023-24, became the fifth goaltender to win the William M. Jennings Trophy in consecutive seasons, following **Brian Hayward** (1986-87 – 1988-89 w/ MTL), **Patrick Roy** (1986-87 – 1988-89 w/ MTL), **Martin Brodeur** (1996-97 – 1997-98 and 2002-03 – 2003-04, both w/ NJD) and **Roman Turek** (1998-99 w/ DAL and 1999-00 w/ STL). Hellebuyck, however, became the first to repeat as the lone recipient in each campaign. Hellebuyck led the NHL with 47 victories in 63 appearances (47-12-3). Only two netminders in League history have registered more wins in a single campaign: Brodeur (48 in 2006-07 w/ NJD) and **Braden Holtby** (48 in 2015-16 w/ WSH).

WILLIE O'REE COMMUNITY HERO AWARD

Description

First awarded in 2017-18, the Willie O'Ree Community Hero Award is presented annually "to an individual who – through the game of hockey – has positively impacted his or her community, culture or society." Since 2022-23, there has been two winners: one in Canada and one in the U.S.

Voting

Fans submit candidates for the Willie O'Ree Community Hero Award. In consultation with the NHL and **Willie O'Ree**, the field is narrowed to six finalists – three in Canada and three in the U.S. The finalists, and ultimate winners, are determined by fan vote and weighted votes from O'Ree, the NHL, Hyundai (for the Canadian award) and Discover (for the U.S. award).

History

The Willie O'Ree Community Hero Award honors former NHL forward **Willie O'Ree**, who on Jan. 18, 1958, became the first black player to compete in the League. O'Ree, who lost sight in his right eye at a young age, went on to play professional hockey for 21 years. His perseverance is unrivaled, and his impact on the game and the lives of young players still is felt today. For more than two decades, O'Ree has served as the NHL's Diversity Ambassador, traveling across North America to schools and hockey programs to share his story and experiences as well as to promote messages of inclusion, dedication and confidence. O'Ree has used hockey as a platform to build character and teach life skills, and has used his influence to foster positive values through the sport.

* * * * *

2024-25 Finalists (Canada – presented by Hyundai)

Arjun Atwal (Edmonton, Alta.)

Atwal is the founder of AZ1 Hockey, an elite hockey development program for athletes looking for mentorship, skills development, and year-round hockey camps. The organization is open to anyone who wants to enhance their hockey skills. AZ1, pronounced 'as one,' supports its predominately South Asian community with coaches that speak English, Punjabi, Hindi, and Urdu, helping players and their parents navigate the hockey ecosystem in their native language. [Click here to watch a feature on Atwal.](#)

Brent Dodginghorse (Calgary, Alta.)

Dodginghorse is the founder of Tsuut'ina 7 Chiefs Hockey Program, an educational program to promote greater respect, understanding, and appreciation for fellow hockey players regardless of race, ethnicity, or ability. The program has been taken by nearly 4,000 people since 2019. Tsuut'ina, which means 'many people,' uses the spirit of the horse to teach students about Indigenous culture and history, encouraging greater harmony among teammates, classmates, friends and neighbors. Mackenzie Janes (Ottawa, Ont.)

Janes is the founder and president of Next Shift Hockey, an organization that provides free equipment to anyone in need. Now in its fourth year, Next Shift Hockey has outfitted more than 1,000 players and more than 200 goalies, giving all hockey players an opportunity to continue playing without cost barriers. They also provide coaching support as well as health and fitness training programs. [Click here to watch a feature on Janes.](#)

2024-25 Finalists (U.S. – presented by Discover)

Dr. Sarah Dunkel-Jackson (Howell, Mich.)

Dr. Dunkel-Jackson is the founder of Hockey Challenge Camp, an on-ice hockey program for children with unique learning abilities and medical needs. Dr. Dunkel-Jackson recognized a need in her community for children with various needs to participate in sports alongside their peers, so she created accessible and adapted hockey programming, allowing more kids to enjoy the benefits of playing hockey. [Click here to watch a feature on Dr. Dunkel-Jackson.](#)

Toni Gillen (St. Paul, Minn.)

Gillen is the director of Minnesota Diversified Hockey which provides programming and equipment for people of all ages to play all types of hockey including blind hockey, Deaf/hard of hearing hockey, special hockey, sled hockey, and warrior hockey. [Click here to watch a feature on Gillen.](#)

Andrew Sobotka (Chicago, Ill.)

Sobotka is the former president of the Chicago Gay Hockey Association (CGHA), a position he held for 15 years. As president, he helped the CGHA grow from a small organization into a safe and inclusive space for nearly 100 hockey players to play year-round. The CGHA supports hockey players of all skills and abilities, from ages 20 to 65. [Click here to watch a feature on Sobotka.](#)

CLARENCE S. CAMPBELL BOWL

Description

First awarded in 1967-68, the Clarence S. Campbell Bowl is presented annually “to the Western Conference team that advances to the Stanley Cup Final.” In 2020-21, it was given to the winner of the Montreal Canadiens-Vegas Golden Knights Stanley Cup Semifinals series.

History

The Clarence S. Campbell Bowl was presented by the NHL’s Member Clubs in 1968 for perpetual competition by the League in recognition of the services of **Clarence S. Campbell**, NHL President from 1946-77. From 1967-68 through 1973-74, the trophy was awarded to the regular-season champion of the West Division. Beginning in 1974-75, it was presented to the regular-season winner of the conference bearing the name of the trophy. From 1981-82 to 1992-93, the trophy was given to the playoff champion in the Campbell Conference. Since 1993-94, the trophy has been awarded to the playoff champion in the Western Conference. The trophy itself is a hallmark piece made of sterling silver that was crafted by a British silversmith in 1878.

CONN SMYTHE TROPHY

Description

First awarded in 1964-65, the Conn Smythe Trophy is presented annually “to the most valuable player for his team in the playoffs.”

Voting

A panel of the Professional Hockey Writers Association submits ballots for the Conn Smythe Trophy at the conclusion of the Stanley Cup Playoffs.

History

The Conn Smythe Trophy was presented by Maple Leaf Gardens Limited in 1964 to honor **Conn Smythe**, the former coach, manager, president and owner-governor of the Toronto Maple Leafs.

PRINCE OF WALES TROPHY

Description

First awarded in 1925-26, the Prince of Wales Trophy is presented annually “to the Eastern Conference team that advances to the Stanley Cup Final.” In 2020-21, it was given to the winner of the Tampa Bay Lightning-New York Islanders Stanley Cup Semifinals series.

History

His Royal Highness, the Prince of Wales, donated the trophy to the NHL in 1925. It originally was awarded to the winner of the first game played in Madison Square Garden on Dec. 15, 1925 (MTL 3 at NYA 1). It then was awarded to the NHL playoff champion in 1925-26 and 1926-27. From 1927-28 through 1937-38, the award was presented to the regular-season champion of the American Division of the NHL. (The team finishing first in the Canadian Division received the O'Brien Trophy during these years.) From 1938-39, when the NHL reverted to one section, to 1966-67, it was presented to the team winning the NHL regular-season championship. With expansion in 1967-68, it again became a divisional trophy, awarded to the regular-season champions of the East Division through the 1973-74 season. Beginning in 1974-75, it was awarded to the regular-season winner of the conference bearing the name of the trophy. From 1981-82 to 1992-93, the trophy was presented to the playoff champion in the Wales Conference. Since 1993-94, the trophy has been presented to the playoff champion in the Eastern Conference.

STANLEY CUP

Description

The most revered trophy in all of sports, the Stanley Cup is awarded annually to the National Hockey League champion. Also the oldest trophy in North American professional sports, the Stanley Cup has changed in size and shape over the years. The current version of the trophy is made of silver and nickel alloy, is almost 3 feet tall and weighs nearly 35 pounds.

History

The Stanley Cup – the oldest trophy competed for by professional athletes in North America – was donated by **Frederick Arthur**, Lord Stanley of Preston and son of the Earl of Derby, in 1893. Lord Stanley purchased the trophy for 10 guineas (\$50 at the time) for presentation to the amateur hockey champions of Canada. Since 1906, when Canadian teams began to openly pay their players, the Stanley Cup has been the symbol of professional hockey supremacy. It has been contested only by NHL teams since 1926-27 and has been under the exclusive control of the NHL since 1947.

* Prior to 1951, the six NHL head coaches voted for the NHL All-Star Teams. Points were awarded on the basis of five points for a first selection, three for a second choice and one for a third. Coaches were not allowed to vote for players on their own team. A unanimous selection consisted of 25 points (five first selections).				1947	FIRST TEAM
