2026 NHL DRAFT LOTTERY FORMAT AND ODDS

The 2026 NHL Draft Lottery will be held on Tuesday, May 5, at NHL Network’s Secaucus, N.J., studio. The event will be broadcast live on ESPN, Sportsnet and TVA Sports at a time to be announced.

For the second straight year, the Draft Lottery drawing will be held live in-studio, allowing viewers to follow along and learn the results at the same time as the Draft Lottery participants. As each lottery ball is drawn, odds will change and teams will be eliminated. The viewing audience will learn which teams still are in the running in real time.

The Draft Lottery will determine the order of selection for the first 16 picks in the first round of the 2026 Upper Deck NHL Draft. Participants are all teams that did not qualify for the 2026 Stanley Cup Playoffs (or the teams that have acquired the first-round drafting positions of those non-playoff teams).

The Draft Lottery will be conducted in two phases, the first to determine the first overall pick in the 2026 Upper Deck NHL Draft and the second to determine the second overall pick.

REMINDER: The NHL announced changes to the Draft Lottery format [on March 23, 2021](#). Among the changes in effect since 2022 is a limit on the total number of selections (10) a team participating in the Draft Lottery can “move up” in the event it wins one of the Lottery Draws. Thus, only the top 11 seeds will be eligible to receive the first overall selection in the 2026 Upper Deck NHL Draft.

* Under the terms of a [March 7, 2025, trade](#) between Toronto and Boston, if Toronto’s first-round pick in the 2026 Upper Deck NHL Draft is a top-five pick following the 2026 NHL Draft Lottery, Toronto instead will transfer its 2027 or 2028 first-round pick to Boston.

The odds for the remaining teams will increase on a proportionate basis for the 2nd Lottery Draw, based on which team wins the 1st Lottery Draw.

The 14 teams not selected in the Draft Lottery will be assigned the remaining 2026 Upper Deck NHL Draft selections (among 1 through 16 in the first round), in inverse order of regular-season points.
