3 THINGS TO KNOW AHEAD OF GLOBAL SERIES

The Carolina Hurricanes and Seattle Kraken will meet in a pair of games at Helsinki's Veikkaus Arena as part of the 2026 NHL Global Series Finland (Nov. 12 at 19:00 EET / 12:00 p.m. ET and Nov. 14 at 20:00 / 1:00 p.m. ET). These contests will feature two of the highest-scoring Finnish players in the NHL this season, in Carolina's **Sebastian Aho** and Seattle's **Kaapo Kakko**.

* The 2026 NHL Global Series marks the 49th and 50th regular season NHL games played outside North America. That number will grow to 52 in December when the Chicago Blackhawks and Ottawa Senators face off in two games at PSD Bank Dome in Düsseldorf, Germany (Dec. 18 and Dec. 20).

* The Hurricanes will become the fourth reigning Stanley Cup winner to appear in a game outside North America in the season immediately following their championship. Stanley Cup winners own a 5-1-0 record overseas in the previous instances.

* The Kraken will become the 27th active franchise to play in a regular season game outside North America when they make their international debut in the 2026 NHL Global Series Finland.

* * * * *

CUP WINNERS HAVE HAD SUCCESS OVERSEAS

* The Hurricanes will appear in a set of games outside North America for the second time in franchise history after they played twice in Helsinki for the 2010 NHL Premiere Series. This time, however, they will be travelling as reigning Stanley Cup champions.

* Carolina will become the fourth reigning champions to contest games outside North America, following the 2024-25 Florida Panthers (2-0-0 in Tampere, Finland), 2022-23 Colorado Avalanche (2-0-0 in Tampere, Finland) and 2007-08 Anaheim Ducks (1-1-0 in London, England).

* All 20 players who dressed for the Hurricanes in their Stanley Cup-clinching Game 6 victory remain with the team in 2026-27. (Captain and Conn Smythe Trophy winner **Jordan Staal** currently is on IR.)

* The most recent NHL games in Finland also involved the defending Stanley Cup champions – the aforementioned Panthers swept a back-to-back series against the Dallas Stars in Tampere on Nov. 1 (6-4 W) and Nov. 2, 2024 (4-2 W). In the first game of that set, Florida captain **Aleksander Barkov** (1-3—4) took "First Star" honors in front of his hometown crowd by factoring on four Panthers goals in the victory.

* Carolina (2-0-0) is one of five teams that has won all of its games contested outside North America, alongside the New Jersey Devils (3-0-0), St. Louis Blues (2-0-0), Toronto Maple Leafs (2-0-0) and Philadelphia Flyers (1-0-0). Should they remain victorious through the 2026 NHL Global Series Finland, the Hurricanes would become the first team in NHL history to win each of their first four regular season games outside North America.

* This will mark head coach **Rod Brind'Amour**'s first experience in NHL games outside North America, as either a player or a coach. Carolina's first foray into Europe (in 2010) came the season following Brind'Amour's retirement; he served as the Hurricanes' director of player development during that time.

KRAKEN LATEST TEAM TO MAKE OVERSEAS DEBUT

* The Kraken, making their overseas debut, will become the 27th active NHL franchise to appear in a game outside North America (the Montreal Canadiens, New York Islanders, Utah Mammoth, Vegas Golden Knights and Washington Capitals have yet to do so).

* Seattle will become the third active franchise to make its overseas debut within its first six NHL seasons, following the Nashville Predators (3 seasons in 2000-01) and Mighty Ducks of Anaheim (5 seasons in 1997-98).

* The Kraken can become the 14th team to win their first regular season game outside North America – the Maple Leafs were the last to do so, at the 2023 NHL Global Series Sweden. With the Kraken and Hurricanes facing off twice in Finland, Seattle also can become the seventh team to win each of their first two games outside North America – a feat Carolina achieved in 2010.

* Seattle will become the third team to make their debut in an NHL game outside North America *while facing the defending Stanley Cup champion*s. The Los Angeles Kings earned a 4-1 win over the Ducks (2006-07 Stanley Cup winners) in the opener of the 2007 NHL Premiere Series in London, while the Stars fell 6-4 to the Panthers (2023-24 Stanley Cup winners) in the first of two games at the 2024 NHL Global Series Finland.

FINLAND A FAMILIAR HOST FOR NHL GAMES

* These mark the 12th and 13th regular season NHL games staged in Finland, the second-most by any country outside of North America behind Sweden (19).

* Helsinki also will tie Prague, Czechia (9) as the cities that have hosted the second-most regular season NHL games outside of North America. The only city to stage more: Stockholm, Sweden (18).

* At least 5 percent of all NHL players have been born in Finland in each season since 2018-19 (minimum: 1 GP in regular season or playoffs). Finland never had comprised at least 5 percent of the League in any season prior to 2018-19.

* Through Nov. 1, there have been 8,852 total players in NHL history, including 277 Finnish nationals who have appeared in at least one game (regular season or playoffs).

* A closer look at the six Finnish players across the Hurricanes and Kraken rosters:

    * Hurricanes center **Sebastian Aho** (Rauma, Finland) is off to a strong start to the 2026-27 season after helping the team capture the Stanley Cup in 2025-26. **Teemu Selanne** (17x), **Jari Kurri** (13x) and **Aleksander Barkov** (10x) are the only Finnish nationals with as many 20-goal seasons as Aho (10x). Aho also ranks high on the NHL's all-time Finnish lists for regular season goals, points and game-winning goals as well as playoff goals, assists and points.

* Hurricanes center **Jesperi Kotkaniemi** (Pori, Finland) is one of eight Finnish players in League history who has been selected among the first three picks in an NHL Draft (No. 3 in 2018 by MTL). Kotkaniemi is a veteran of more than 500 NHL games who is in his sixth season with Carolina. He already has twice as many goals this season as he did in all of 2025-26 (2-7—9 in 42 GP).

* Hurricanes defenseman **Juuso Valimaki** (Tampere, Finland) has skated in nearly 300 NHL games and recorded an assist in his Carolina debut on Oct. 20. He has represented Finland many times on the international stage, including at the Under-18 World Championship (where he won gold), World Junior Championship (where he served as captain in 2018) and 4 Nations Face-Off.

* Kraken right wing **Kaapo Kakko** (Turku, Finland) was chosen second overall in the 2019 NHL Draft (by NYR), tied for the highest-selected Finnish player in NHL history with **Patrik Laine** (2016), **Aleksander Barkov** (2013) and **Kari Lehtonen** (2002). Kakko matched his career high for points in a season in 2025-26 (13-27—40 in 65 GP) and has excelled since joining the Kraken via trade on Dec. 18, 2024.

* Kraken right wing **Jani Nyman** (Valkeakoski, Finland) was a second-round pick by Seattle in the 2022 NHL Draft (49th overall) who recently was recalled from the AHL's Coachella Valley Firebirds, where he was producing more than a point per game (9-2—11 in 9 GP). Nyman has appeared in double-digit games with the Kraken in each of the past two seasons (28 GP in 2025-26, 12 GP in 2024-25) as he continues to aim for a full-time role with the team.

* Kraken defenseman **Ville Ottavainen** (Oulu, Finland) is a hulking, 6'5" rookie blueliner in his first full NHL season after three full seasons with the AHL's Coachella Valley Firebirds. Ottavainen made his NHL debut in 2024-25, notching an assist in his only game that season.

* Did You Know? On Oct. 13, linesperson **Onni Hautamaeki** became the first Finnish official in NHL history, making his League debut on his 31st birthday.

FAST FACTS

* Six players have scored their first NHL goal in a game played outside North America, including two who did so in a contest staged in Finland: **Mavrik Bourque** at 2024 NHL Global Series Finland (Nov. 1, 2024 w/ DAL) and **Nate Guenin** at the 2011 NHL Premiere Series (Oct. 7, 2011 w/ ANA).

* Twelve players have recorded their first NHL point in a game played outside North America, including two for the Hurricanes: **Zac Dalpe** in the first game of the 2010 NHL Premiere Series (Oct. 7, 2010) and **Jeff Skinner** in the second contest of that set (Oct. 8, 2010).

* **Sebastian Aho** (CAR) and **Kaapo Kakko** (SEA) were teammates on Finland's bronze medal-winning entry at the 2026 Olympic Winter Games – both players scored in Finland's 6-1 victory over Slovakia in the bronze medal game.

* Half of all regular season NHL games played outside North America have been decided by a one-goal margin or ended in a tie (50.0%; 24 of 48).

* Twelve NHL contests played overseas have gone past regulation. The last time an NHL game in Finland required overtime was when the Hurricanes earned a 2-1 shootout win over the Minnesota Wild in 2010.

* There are seven birth countries represented across the Hurricanes and Kraken active rosters (as of Nov. 3): Canada, Denmark, Finland, Germany, Russia, Sweden and the United States.

* A total of 21 different Finnish players have won the Stanley Cup (based on birth country), including **Sebastian Aho** and **Jesperi Kotkaniemi** with the 2025-26 Hurricanes.

* Four Finnish-born players have been inducted into the Hockey Hall of Fame: **Jari Kurri**, **Pekka Rinne**, **Teemu Selanne** and women's hockey star **Riikka Sallinen**.

* One Finnish player has captained a Stanley Cup champion: **Aleksander Barkov** (2024-25 and 2023-24 w/ FLA). Barkov and **Dustin Brown** (2013-14 and 2011-12 w/ LAK) are the only players born outside Canada to captain multiple Stanley Cup-winning teams.

* Eleven different Finnish-born players have won an individual NHL Award, including one who did so with the Hurricanes: goaltender **Antti Raanta** (Rauma, Finland) captured the William M. Jennings Trophy alongside Carolina teammate **Frederik Andersen** in 2021-22.

* Players from Finland have combined to win the Frank J. Selke Trophy six times, the second-highest total of any country behind only Canada (33). **Aleksander Barkov** (3x) and **Jere Lehtinen** (3x) make up the six instances.

* **Teemu Selanne** (684-773—1,457) is the highest-scoring Finnish player in League history in terms of both goals and points, while **Jari Kurri** (797) tops the list in career assists.

* Finland (Selanne and Kurri) and Canada are the only countries to produce multiple players with at least 600 NHL goals.

* **Pekka Rinne** (369) has the most career NHL wins among Finnish goaltenders. He is one of four netminders from the country to reach the 300-win milestone, alongside **Miikka Kiprusoff** (319), **Kari Lehtonen** (310) and **Tuukka Rask** (308). Rinne (2017-18), Rask (2013-14) and Kiprusoff (2005-06) all also won a Vezina Trophy.
