VERIZON NHL FASTEST SKATER

Participants

- * Eight players.

Winner

- * The player who has the fastest time.

Procedure/Rules

- * The course is one full rink lap.
- * Each player has one attempt to establish their time.
- * Skater may choose direction of their lap.
- * Skater is positioned a maximum of three feet behind the start line located on the penalty box side of the center line.
- * Skater starts on the referee's whistle.
- * The timing device starts when the skater crosses the start line.
- * In case of a clock malfunction, the official time will be recorded from the referee's stopwatch.

Tiebreaker

- * If at the completion of the event there is a tie for the fastest time, the two players will skate again to determine the winner.

DUNKIN' NHL SAVE STREAK

Participants

- * Eight goaltenders (two per division).

Winner

- * The goaltenders with the longest combined “save streak.”

Procedure/Rules

- * Each scoring attempt is officiated in accordance with NHL shootout rules and begins on the referee's whistle.
- * Each division's goaltenders will face players from an opposing division.
- * The round ends on a goal and cannot end on a save.

Tiebreaker

- * If at the completion of the event there is a tie for the longest “save streak,” the winning goaltenders will be determined by the total number of saves made in their round. If two or more division's goaltenders remain tied based on the total number of saves made, then the tied division's goaltenders will compete in a sudden death round of “Goalie Goals.”

DISCOVER NHL FOUNTAIN FACE-OFF

This competition takes place on the iconic Bellagio Fountains. Players will travel by boat to the “rink” and are required to successfully shoot pucks into five targets in the least amount of time. Qualifying players move to the head-to-head final. Fountain spray and the breeze off The Strip will add to the challenge of this unprecedented NHL All-Star Skills event.

Participants

* Eight participants.

Format

* Qualifying round.

* Head-to-head final.

Winner

* The player who successfully shoots pucks into the targets in the fastest time.

HONDA NHL ACCURACY SHOOTING

Participants

* Nine shooters and four passers, including Jocelyne Lamoureux-Davidson and Deryk Engelland.

Winner

* The player who hits all four targets in the fastest time.

Procedure/Rules

* Four destructible Styrofoam targets 15 inches in diameter are attached to the goal posts, one target in each corner.

* Two players, one on each side of the net, alternately pass pucks to a shooter positioned 25 feet out from the goal line.

* Shooters compete at opposite ends of the rink, alternating attempts.

* Any contact of a target by a puck that is shot is scored as a hit.

* Time stops when the player has successfully hit all targets.

Tiebreaker

* If at the completion of the event there is a tie for the fastest time, the tied players will compete again to determine the winner.
