Oshie** (STL & WSH), **Jordan Staal** (PIT, CAR), **Adam Henrique** (NJD, ANA), **John Tavares** (NYI, TOR), **Brayden Schenn** (PHI, STL), **Jeff Skinner** (CAR, BUF), **James van Riemsdyk** (PHI, TOR), and **Jeff Carter** (PHI, LAK).

* Johnston, the [second player in Stars/North Stars history](#) to score a shorthanded goal on consecutive days, became just the third player to accomplish the feat in the past 10 years alongside **William Karlsson** (March 30-31, 2018 w/ VGK) and **Matt Read** (March 15-16, 2014 w/ PHI).

* Dallas matched its [franchise record](#) for most power-play goals in a game, accomplishing the feat as the visitors for just the third time following [Jan. 27, 1984](#) and [Nov. 16, 1982](#). Only two other teams have scored five power-play goals in a road game since 2012-13: Vancouver ([Nov. 21, 2019 at NSH](#)) and Colorado ([Feb. 20, 2018 at VAN](#)).

DEFENSEMEN CONTINUE TO PILE UP THE POINTS FOR CANUCKS

Captain **Quinn Hughes** (0-1—1) factored on the first of five Canucks goals and fellow defenseman **Filip Hronek** (0-1—1) assisted on the game-winning tally as Vancouver (11-3-1, 23 points) collected 11 wins through its first 15 games of a season for the first time in franchise history.

* The 2023-24 campaign marks the second time Hughes (5-18—23 in 15 GP) has had at least 18 assists through his first 15 games of a season (also 18 in 2022-23). He became the second defenseman in NHL history to achieve the feat multiple times following **Bobby Orr** (1969-70: 21 in 15 GP & 1974-75: 21 in 15 GP).

* Hronek, the [third player of any position in Canucks history](#) with an assist streak of 10-plus games, became the seventh defenseman in the past 30 years with an assist streak of at least that length. The others: **Erik Karlsson** (14 GP in 2022-23), **Cale Makar** (13 GP in 2021-22), **Josh Morrissey** (11 GP in 2022-23), **Garry Galley** (11 GP in 1993-94), **Roman Josi** (10 GP in 2021-22) and **Sergei Gonchar** (10 GP in 2012-13).

* The Canucks are the seventh team in the past 30 years to score 66 or more goals through their first 15 games of a season (including shootout-deciding goals). The others: 1995-96 Penguins (78), 2005-06 Senators (75), 2006-07 Sabres (68), 2005-06 Flyers (68), 1993-94 Flyers (67) and 1994-95 Penguins (66).

PANARIN'S POINT STREAK CONTINUES AS RANGERS RALLY LATE

Artemi Panarin (0-2—2) extended his season-opening point streak to [franchise-record tying 14 games](#) after he factored on two Rangers goals, including the game-tying tally from **Alexis Lafrenière** (2-0—2) with just 11 seconds remaining in regulation, to help New York (11-2-1, 23 points) rally to a shootout victory. Sunday marked the fifth time in franchise history the club has won after scoring a game-tying tally within the final 11 seconds (also Jan. 12, 2023, Oct. 25, 2008, Nov. 9, 2005 & Dec. 1, 1998).

* Panarin, who kept pace with Toronto's **William Nylander** (14 GP) as the only skaters with a season-opening point streak of 14-plus games to start 2023-24, has factored on either a game-tying, go-ahead or game-winning goal in each of New York's past four games – a stretch that also includes multi-point outings. With another two points in his team's next game against the Devils on Nov. 18, Panarin can be the first Rangers skater with at least five straight multi-point games since **Jaromir Jagr** (6 GP in 2005-06).

**PANARIN, NYLANDER
COMBINE FOR RARE FEAT**

The 2023-24 season is just the fourth campaign in NHL history to feature multiple players with season-opening point streaks of 14+ games. The others: 1992-93, 1987-88 and 1973-74.

The infographic features two photographs of NHL players. The top photo shows Artemi Panarin in a blue New York Rangers jersey and helmet, smiling. The bottom photo shows William Nylander in a blue Toronto Maple Leafs jersey and helmet, looking intently. The NHL logo is at the bottom left, and the #NHLStats logo is at the bottom right.

REINHART, BEDARD FACTOR ON SIX OF CONTEST'S SEVEN GOALS

Sam Reinhart (2-2—4) factored on all of Florida's tallies and **Connor Bedard** (2-0—2) recorded his second straight multi-goal game in a contest that saw three game-tying goals before the Panthers secured their fourth consecutive win.

* Reinhart recorded his third career four-point performance, all since he joined the Panthers, and improved his season totals to 11-10—21 (14 GP). He required the second-fewest games by a Florida player to reach 10 goals in a campaign behind **Pavel Bure** (9 GP in 1998-99) and tied the franchise mark for the fewest contests to 20 points (also **Matthew Tkachuk** in 2022-23 & **Jonathan Huberdeau** in 2020-21).

* Bedard scored a highlight-reel goal as one of two tallies Sunday as he became the [seventh 18-year-old in NHL history](#) to record consecutive multi-goal games. Bedard, who began the season with two goals through his first seven contests, has now scored seven times through his past six games and leads all rookies in goals (9) and points (13).
