Q & A
<i>What do you consider to be your greatest achievement to date?</i>
Officiating at the 2018 Olympics was a long-term goal that started after college when I swapped my stick for a whistle. Watching the 1998 Olympics, I dreamed of playing on the world stage. I had the opportunity to wear the red, white and blue on the under-22 team, but that's as far as my playing career would take me. Luckily, officiating provided me the amazing opportunity to skate on Olympic ice in PyeongChang.
