

OVECHKIN SETS NHL GOALS RECORD

For the first time in more than 31 years, there is a new name alone atop the NHL all-time goals list as **Alex Ovechkin** scored career goal No. 895 Sunday on Long Island to break the record held by **Wayne Gretzky** (894) – who was in attendance for the historic performance.

* Ovechkin is the 10th player all-time (since the first day of NHL play in 1917) to top the League in career goals (outright or tied) – and fittingly the eighth to do so in the 104 years since Feb. 23, 1921, when **Joe Malone** took a lead he would hold for nearly two years. WITH AGE COMES... MORE GOALS

* Ovechkin jumped at least one spot on the NHL all-time goals list in each season from his rookie campaign of 2005-06 through 2022-23, when he overtook **Gordie Howe** (801) for second place behind Gretzky (894). In true Ovi fashion, he scored the record-breaking goal 895 on the 45th anniversary of when Howe tallied his 801st and final NHL goal ([April 6, 1980](#)) – which stood as the record until Gretzky surpassed him with 802 in 1994. Furthermore, Ovechkin tallied 895 against the Islanders – the same club Gretzky netted his 894th and final goal against in 1999.

OVI'S REMARKABLE 2024-25 SEASON

* Skating in his 20th NHL season as the [second-oldest forward in the League](#), Ovechkin has left the hockey world in awe by overcoming a broken leg – which sidelined him for a career-long 16 games – to set the NHL all-time goals record.

* More than half of assists on Ovechkin goals have been collected by a group of nine players, with two of his biggest helpers combining to set him up in his record-tying game Friday (**John Carlson**, 2x, and **Dylan Strome**) and longtime teammate **Tom Wilson** and Strome collecting helpers on the record-breaking marker Sunday. The group of **Nicklas Backstrom** (279; [4th most all-time](#)), Carlson (158), **Evgeny Kuznetsov** (110), **Mike Green** (70), **Marcus Johansson** (58), Wilson (50), **T.J. Oshie** (48), Strome (47) and **Alexander Semin** (45) collectively have recorded 865 of 1,520 assists on goals by Ovechkin (57%). Strome has been Ovi's biggest set-up man so far in 2024-25, dishing to him 21 times this season – the ninth time a teammate has set him up that much in one season and most since 2021-22 (Kuznetsov: 23).

* Ovechkin tops the Capitals with 42 goals this season and has led his team at the end of a season far more than any player in League history. He has been Washington's *outright* leader in goals 18 times and has at least *shared* the team lead in all 19 completed seasons of his career (he tied Oshie in 2016-17). His 19 consecutive seasons (entering 2024-25) at least sharing the team lead in goals far exceeds the next closest players (**Gordie Howe** & **Rick Nash** w/ 11 each).

* In addition to posting the second-most [goals in a season by a player at age 39-plus](#) (behind Howe: 44 in 1968-69 at age 40), Ovechkin became the [first player in NHL history](#) with three 40-goal campaigns at age 35-plus. He is on track to become the fifth player in League history to [lead his team in goals at age](#)

[39-plus](#), and to become the second player in that age range to finish among the top 10 in the NHL in goals.

OVECHKIN'S LIST-TOPPING CAREER

* Ovechkin has scored against nearly half of all goaltenders that have played at least one NHL game since he entered the League (49%; 183 of 372). Only 34 goaltenders have managed to keep him out of the goal column (16% of the 217 he has faced), including 13 active goaltenders (min. 1 GP in 2024-25). In honor of that, an #NHLStats snapshot at some of the all-time lists topped by Ovechkin:

THE OVECHKIN EFFECT

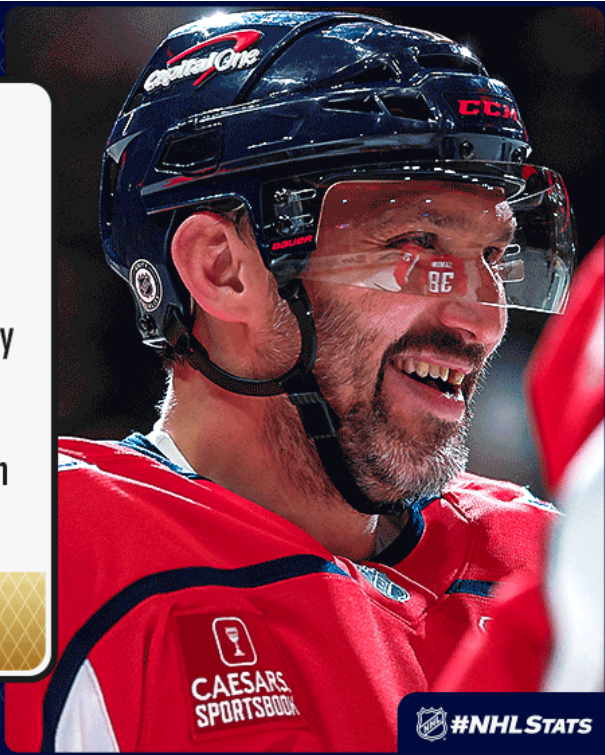

AND THE GR8 CHASE FOR VICTORY OVER CANCER

While The Gr8 Chase is complete and Ovechkin stands alone as the NHL all-time goals leader, [his impact on the community is everlasting](#) and one of the initiatives he is most passionate about will benefit every time he lights the lamp through the balance of his career.

* “THE GR8 CHASE for Victory Over Cancer,” an initiative to raise awareness and funds for pediatric cancer research, is a partnership between Ovechkin, the Capitals, Hockey Fights Cancer and The V Foundation For Cancer Research – with The Great 8 donating money for every goal he scores during the remainder of his NHL career. The campaign began with goal No. 885, scored March 5, and donations will be matched by Monumental Sports & Entertainment.

* Donations can be made at v.org/GR8chase.

THE GR8 CHASE FOR VICTORY OVER CANCER

Fans can support “THE GR8 CHASE for Victory Over Cancer” by donating \$8, or any amount they can give, in honor of Ovechkin’s historic achievement. All donations to the cause will go directly toward pediatric cancer research through the V Foundation.
