

#NHLSTATS PACK: AUSTON MATTHEWS BECOMES TORONTO MAPLE LEAFS' ALL-TIME GOALS LEADER

Matthews became the 10th player in franchise history to hold Toronto's outright goals record

- * **Mats Sundin** scored versus the Islanders more than 18 years ago to reach 390 career goals and pass **Darryl Sittler** for the franchise record. **Auston Matthews** tallied two against them tonight to surpass Sundin atop the franchise's all-time list.
- * Sundin scored 420 goals in 981 regular-season games with Toronto, meaning Matthews required approximately one-third fewer games to break the record than Sundin played in his entire career with Toronto.
- * Sundin was the [Maple Leafs' all-time goals leader](#) for more than 18 years. On [Oct. 11, 2007](#), at home against the Islanders, Sundin scored his 390th goal and 917th point with Toronto (912 GP) to overtake Sittler (389-527—916 in 844 GP) as the [outright franchise record holder for both career goals and points](#). [Sundin tied Sittler](#) for the franchise goals record on [Oct. 4, 2007](#), at Ottawa (389 G in 909 GP), and set the new benchmark a week later. Matthews was 10 years old at the time.
- * Matthews became the 10th player in the 108-year history of the franchise to be the club's *outright* all-time goals leader (fifth in the expansion era, since 1967-68). Including players who only tied the record, Matthews became the 12th. A detailed list of Toronto's all-time goals leaders is below.
- * Toronto's all-time goals leader has already changed three times (from **Dave Keon** to **Darryl Sittler**, Sittler to Sundin & Sundin to Matthews) since the last time another Original Six goals leader changed.
- * The Maple Leafs, Rangers and Bruins are the only Original Six clubs to have a change to their all-time goals leader in the NHL expansion's era (since 1967-68). A list covering each Original Six club is below.
- * Matthews became the 15th player to hold an Original Six franchise record for career goals (outright or tied) during the NHL's expansion era (since 1967-68). He joined Sundin (TOR), Sittler (TOR), Keon (TOR), **George Armstrong** (TOR), **Frank Mahovlich** (TOR), **Rod Gilbert** (NYR), **Jean Ratelle** (NYR), **Andy Bathgate** (NYR), **Johnny Bucyk** (BOS), **Dit Clapper** (BOS), **Milt Schmidt** (BOS), **Bobby Hull** (CHI), **Gordie Howe** (DET) and **Maurice Richard** (MTL).
- * Matthews (San Ramon, Calif.) joined **Mike Modano** (Livonia, Mich.; DAL/MNS) as the only U.S.-born players who currently lead a franchise in career goals (min. 50 goals).
- * Using the same minimum of 50 goals, Matthews became the first U.S.-born player to be the all-time goals leader for a Canadian franchise and just the fourth to serve as the all-time goals leader for any club, after Modano, **David Legwand** (Detroit, Mich.; NSH) and **Billy Burch** (Yonkers, N.Y.; New York/Brooklyn Americans). Of note, [Mammoth teammates Logan Cooley](#) (Pittsburgh, Pa.) and **Clayton Keller** (Chesterfield, Mo.) are both within reach of joining this list, though Cooley is out at least eight weeks due to injury.
- * Matthews became the ninth active player to lead a franchise in goals, after **Alex Ovechkin** (WSH), **Steven Stamkos** (TBL), **Mark Scheifele** (WPG/ATL), **Filip Forsberg** (NSH), **Aleksander Barkov** (FLA), **Jonathan Marchessault** (VGK), **Jared McCann** (SEA) and **Dylan Guenther** (UTA).
- * A few additional notes on Matthews:
 - [Fourth player](#) in NHL history with four or more goals in his League debut
 - Franchise record holder for [goals by a rookie in a season](#) (40 in 2016-17) and [goals in a season](#) (69 in 2023-24); also NHL record holder for each of those categories among U.S.-born players
 - Franchise record holder for [career 40-goal seasons](#).
 - Only [active player](#) with multiple 60-goal seasons (ninth in NHL history to do so)
 - Ranks third in NHL history in [career goals-per-game](#) (min. 500 GP)
